## CURRENT POSITIONS

---

<b>Northern Contaminants Program (Crown-Indigenous Relations and Northern Affairs Canada)</b> <b>School of Public Health and Social Policy - University of Victoria</b> Post-Doctoral Fellowship <ul style="list-style-type: none"><li>Research project: Environmental contaminants, nutrition, and human health in Nunavik 2004–2017</li></ul>	November 2023
<b>School of Population and Public Health, PhD program</b> <b>University of British Columbia</b> Advisor: Dr. Jerry Spiegel Committee: Dr. Sarah Henderson, Dr. Lael Parrott, Dr. Matilda van den Bosch	2016 - 2023

## EDUCATION

---

<b>University of British Columbia</b> Population and Public Health PhD Focus: Environmental Health and Global Health Vancouver, Canada	2023 (November graduation)
<b>University of Cape Town</b> Master of Public Health Honours degree, dissertation with distinction Cape Town, South Africa	2011-2012
<b>Universidad de los Andes</b> BS in Environmental Engineer Bogotá, Colombia	2002-2009
<b>Universidad de los Andes,</b> BA in Anthropology Bogotá, Colombia	2002-2009

## PROFESSIONAL AND ACADEMIC EXPERIENCE

---

<b>City of Vancouver</b> <b>Resilience and Disaster Risk Reduction</b> Sustainability Scholar <ul style="list-style-type: none"><li>Research and Analysis of Exclusionary Zoning and Environmental Racism in Vancouver.</li></ul>	May – August 2023
<b>Universidad El Bosque</b> <b>Environmental Health Institute</b> Assistant Professor – Ad honorem	2021 – 2023
<b>Global Observatory on Planetary Health</b> <b>The Schiller Institute for Integrated Science and Society</b> <b>Boston College – Harvard University</b> Planetary Health Visiting Scholar <ul style="list-style-type: none"><li>Host Supervisor: Dr. Philip Landrigan</li></ul>	Sept. 2021 – February 2022
<b>Global Health Research Program</b> <b>University of British Columbia,</b> <b>Vancouver, Canada</b> Research Assistant <ul style="list-style-type: none"><li>RA of the Think, Eat, and Grow Green Globally (TEG3) project funded by the Canadian Institutes of Health Research (CIHR)</li></ul>	October 2016 – March 2020
<b>Research Vice-Rector</b> <b>Universidad El Bosque,</b> Bogotá, Colombia Researcher - Professor <ul style="list-style-type: none"><li>Research advisor in Environmental Health</li><li>Researcher at the Health, Environment and GIS group, and Human, Work, and Health research group</li></ul>	August 2014 – August 2016
<b>Exploring the Healthy Cities concept as an strategy to promote health and prevent non-communicable diseases</b> <b>University of Antioquia–Pan American Health Organization,</b> Medellín Colombia Researcher <ul style="list-style-type: none"><li>Designing methodology</li><li>Data collection, analysis and report</li></ul>	March 2014- July 2014
<b>Access to Health Care services in Medellín:</b> <b>An assessment and monitoring proposal.</b> <b>Universidad de Antioquia – City of Medellín,</b> Medellín, Colombia Researcher <ul style="list-style-type: none"><li>Designing methodology and research activities</li><li>Qualitative data collection, analysis and report</li></ul>	June 2013 – January 2014

**Herbicide exposure prevention study for Working for Water  
Centre for Occupational and Environmental Health Research  
School of Public Health and Family Medicine  
University of Cape Town,  
South Africa**

September 2011- July 2013

- Conduct research to understand risk perceptions of herbicides use among Working for Waters workers in the Western Cape
- Conduct research to understand cultural and social factors that might influence workers health-related behaviors.
- Collaborate in the design of a culturally appropriate interventions to reduce workers exposure to herbicides.

**Healthy lifestyle behaviors for the prevention of non-communicable diseases in the Global South  
INER- ESSM (Research Unit for Exercise Science and Sports Medicine) – African Centre for Cities  
Universidad de Antioquia – University of Cape Town  
Researcher**

January 2012 – June 2013

- Designing methodology and research activities
- Collaborating on writing reports and projects for founders and participating institutions

**INAP  
National Project for Adaptation to Climate Change  
Conservation International - National Health Institute  
Research Design and Implementation**

June 2010 - February 2011

- Characterize the Malaria surveillance system in a Colombian indigenous community with high risk of contagion
- Developing and conducting participatory educational programs to strengthen the National Malaria surveillance System.

## **AWARDS, FELLOWSHIPS, AND GRANTS**

- 
- 2023 University of British Columbia. Valedictorian. Graduate and Postdoctoral Studies; Dentistry; Land and Food Systems; Pharmaceutical Sciences; Medicine; Population and Public Health
  - 2022 Stanford University. Ethics, Society, and Technology Seed Hub (US\$10,000). “Biocultural values for sustainable tourism in Colombia: Engaging, Assessing, and Planning”. Stanford University 2022. Co-PIs: **Federico Andrade-Rivas**, Armando Davila Arenas, Katherine Hernandez, Gretchen C Daily, Lisa Mandle, Rodolfo Dirzo, Tad Fukami, Natalia Ocampo-Peñuela, Alejandra Echeverri
  - 2022 UCLA- Pritzker fellowship (US\$7,000). “No music without trees or birds: A spatial analysis of cultural reliance and relationships to endemic flora and fauna species in Colombia”. Co-PIs: **Federico Andrade-Rivas**, Armando Davila Arenas, Katherine Hernandez, Gretchen C Daily, Lisa Mandle, Rodolfo Dirzo, Tad Fukami, Natalia Ocampo-Peñuela, Alejandra Echeverri

- 2022-2024 Stanford University - London School of Hygiene and Tropical Medicine. Human and Planetary Health Postdoctoral Scholar, (USD \$160,000) (*Declined*)
- 2021 -2022 University of British Columbia - Friedman Award for Scholar in Health (USD \$20,000)
- 2021 University of British Columbia - President's Academic Excellence Initiative PhD Award (USD \$1,000)
- 2019-2020 School of Population and Public Health, University of British Columbia. Professor Anne Crichton Prize (Best Thesis Proposal) (USD \$1,000)
- 2018 – 2021 Canadian Institutes of Health Research- CIHR. Vanier Scholar (USD \$120,000)
- 2017 The Lancet - The Rockefeller Foundation. Travel Grant Planetary Health Alliance
- 2016 University of British Columbia - Graduate Global Leadership Fellowship (USD \$40,000)
- 2016 Green College's R. Howard Webster Foundation Fellowship (USD \$2,000)
- 2016 Colciencias, International PhD Scholarship (USD \$100,000)
- 2015 and 2016 Universidad El Bosque - Excellence Publication Award (USD \$1,000)
- 2015 Universidad El Bosque - Convocatoria Interna, Research Grant (USD \$10,000)
- 2013 University of Cape Town. Degree Dissertation with distinction, Master in Public Health
- 2012 University of Cape Town - JW Jagger Centenary Gift Scholarship
- 2011 Colfuturo Colombia Scholarship Master Degree (USD \$35,000)
- 2010 Colombian delegate for the NMC Italy (Young International Meeting of social entrepreneurs)
- 2008 Eighth place nationally in the Environmental Engineer ECAES (National State Exam of Higher Education Quality)
- 2007 Ashoka - Inter-American Development Bank - MTV Television. Changemaker
- 2006 Procter & Gamble. Prestige Scholarship - Puerta a la Excelencia (USD \$3,000)

Collegium Ramazzini, Pacific-northwest Health Equity Network (PHEN) Leadership Team, Planetary Health Alliance Emergent Scholar, UBC Planetary Health Club (co-founder), Planetary Health Alliance Regional Hubs - Latin America, Mesa Técnica Ciudadana y Académica por la Calidad del Aire

## TEACHING, ACADEMIC SEMINARS, AND GUEST LECTURER

---

### **School for the Environment**

March 2024

University of Massachusetts Boston  
Boston, USA  
Invited Seminar

- Talk: Chemical Contamination of Globalized Food Systems: Mapping and Assessing Population-Level Pesticide Exposures in the Global South.

### **Geography Department**

February 2024

University of Colorado Boulder  
Boulder, USA  
Invited Seminar

- Talk: Chemical Contamination of Globalized Food Systems: Mapping and Assessing Population-Level Pesticide Exposures in the Global South.

### **Faculty of Nursing**

August 2015 – 2024

Universidad El Bosque,  
Bogotá, Colombia  
Lecturer

- Mixed Methods in Public Health Research, Graduate Online Course, Master of Community Mental Health and Master of Reproductive and Sexual Health

### **School of Population and Public Health**

2018 – present

University of British Columbia,  
Vancouver, Canada  
Guest Lecturer

- Overview of Global Health (Graduate)  
Professor: Gina Ogilvie
- Social Determinants of Health (Graduate)  
Professor: Anne Gadermann
- Topics in Environmental Health (Undergraduate)  
Professor: Kate Weinberger
- Topics in Environmental Health (Graduate)  
Professor: Anders Erickson

### **School of Government and Public Transformation**

January 2023

Tecnológico de Monterrey,  
Monterrey, Mexico  
Invited Seminar

- Talk: “Mapping potential population-level pesticide exposures in Ecuador using a modular and scalable geospatial strategy”

**Biology Department**

Boston College,  
Chesnut Hill, Massachusetts  
Invited Seminar

November 2021

- Talk: “Planetary Health Across Scales: From local collaborations to global pollution issues”

**Natural Capital Project**

Woods Institute for the Environment and Department of Biology  
Stanford University,  
Stanford, California  
Natural Capital Webinar Series

September 2021

- Talk: “Planetary Health Across Scales: From local collaborations to global pollution issues”

**Global Observatory of Pollution and Health**

Boston College,  
Boston, Massachusetts  
Guest Lecturer

February 2021

- Children’s Health and the Environment  
Course Professors: Phillip Landrigan and Britt Pados

**Department of Indigenous Studies**

University of Winnipeg,  
Winnipeg, Canada  
Guest Lecturer

October 2020

- Ethnoecology Research  
Course Professor: Shailesh Shukla

**School of Population and Public Health**

University of British Columbia  
Vancouver, Canada  
Teaching Assistant

September 2018 –  
December 2019

- Topics in Environmental Health (Undergraduate)  
Course Professor: Matilda van den Bosch  
Role: designing and facilitating weekly workshops
- Topics in Environmental Health (Graduate)  
Course Professor: Anders Erickson
- Global Health and Human Security  
Course Professor: Jerry Spiegel

**Faculty of Engineering**

Universidad de los Andes  
Bogotá, Colombia  
Guest Lecturer

October 2014

- Introduction to Environmental Engineering

- Introduction to Anthropology (4 times)
- History, Technology and Society

## **STUDENT MENTORING**

---

### *Master thesis advisor (in English and Spanish\*\*)*

- \*\*Jenny Melisa Amaya Silva, Lilibeth Suarez, Master in Community Mental Health  
Thesis: Trayectorias de vida asociadas al consumo de sustancias psicoactivas en jóvenes con historia de habitabilidad de calle egresados de procesos de formación en instituciones distritales en Bogotá
- \*\*Julio Eduardo Mazorco Salas, Master in Community Mental Health  
Thesis: Representaciones sociales de salud mental en los miembros de una universidad
- \*\*Juan Camilo Vásquez, Master in Sociospatial Studies at Universidad de Antioquia, Colombia  
Thesis: Diseño del Espacio y el Espacio de Representación: Concepción Experta en el proyecto Parques del Río Medellín

### *Master thesis examiner*

- \*\*Luis Ignacio López Michelena, Master in Occupational Health  
Thesis: La experiencia de la soledad en el teletrabajo: un análisis desde la fenomenología
- \*\*Fiorella Robayo Ospina, Master in Community Mental Health  
Thesis: Transformaciones de las identidades masculinas en hombres diagnosticados con lesión medular traumática vinculados al conflicto armado de Colombia: una exploración a través de sus historias de vida

### *Graduate Diploma advisor*

- \*\*María Mónica Molano, Graduate Degree in Occupational Health  
Research Project: Percepción Acerca de la Seguridad y Salud en el Contexto del Trabajo Informal en un Grupo de Mujeres Trabajadores de la Localidad de Tunjuelito
- \*\*Diana Velásquez, Graduate Degree in Occupational Health  
Research Project: Situación actual de la Salud Ocupacional en Colombia: Una mirada histórica

### *Graduate Mentorship Program, School of Population and Public Health*

- Nasim Niknejad, PhD student

### *Undergraduate students- supervised a directed readings course or undergraduate projects:*

- David Choung (Boston College Biology, 2021)
- Alyssa Thurston (UBC Biology 2019)
- Co-mentored six undergraduate student in their GIS research projects (UEB, 2014-2016)

## LEADERSHIP AND SERVICES

---

<b>Mesa Técnica Ciudadana y Académica por la calidad del Aire (MeCAB)</b> Bogotá, Colombia Researcher -Volunteer	2019 - present
<ul style="list-style-type: none"><li>• Participatory space where we work together with activists, community members, policy makers and scholars to improve Bogotá's air quality</li></ul>	
<b>La Comarca, Civil Society Natural Reserve</b> Choachí, Colombia Co-director	2016 - present
<ul style="list-style-type: none"><li>• Mission: Restore local ecosystems, particularly two river sources</li><li>• Collaborated to develop a network of private natural reserves</li><li>• Sharing knowledge with rural communities to improve human well being and the quality of the local ecosystems</li></ul>	
<b>Graduate Student Ambassador</b> University of British Columbia Volunteer	2019
<ul style="list-style-type: none"><li>• Guided prospective and newly admitted graduate students and advised them in their selection and transition to graduate school</li></ul>	
<b>La Ciudad Verde (The Green City)</b> Bogotá, Colombia Researcher -Volunteer	April 2013 - 2019
<ul style="list-style-type: none"><li>• Working together with activists, community members and academics to design interventions to improve the sustainability and health of our cities</li></ul>	
<b>Tierra Nativa and Guarino</b> Asociación Santa Cruz Project Director Volunteer	2002 - 2010
<ul style="list-style-type: none"><li>• Director of "Guarino", an outdoor educational project for low-income youths of Bogotá.</li><li>• Co-director of "Tierra Nativa", an expedition program which aims to reach the most remote populations with aid and social work</li><li>• Consolidated Guarino Project in the international sphere, through distinctions such as "Change Maker" (Ashoka, IDB youth) and NMC (World Youth Meeting)</li></ul>	

## ADDITIONAL INFORMATION

- 
- Computing Skills: R, QGIS, Nvivo, ArcGIS, ENVI, SAS
  - Relevant Training: Instructional Skills Workshop (UBC Centre for Teaching and Learning); Assessing & Communicating Risk (The Society of Toxicology of Canada)
